

# Diploma of Quality Auditing (BSB50920)

## What's it all about?

The Diploma of Quality Auditing provides skills and knowledge that can be applied to any quality management system or standard.

To achieve this qualification students will participate in all aspects of a quality audit from the initial design through to the post audit report of findings.

## Who should do this qualification?

This qualification is suitable for those with extensive experience in an industry that works within a quality framework - for example Work Health and Safety, Human Resources Management, Vocational Education and Training, Health, Aged Care, Disability, Construction, Mining.

Possible career choices relevant to this qualification include:

- Quality Assurance Manager/Officer
- Quality Facilitator
- Quality and Improvement Consultant
- Service Quality System Support Analyst
- Project Officer

## Program Delivery

The Diploma of Quality Auditing is delivered via Distance Learning under the guidance and mentorship of a Specialist Facilitator.

## Potential Pathways

Further training pathways from this qualification include the **BSB50420 Diploma of Leadership and Management**.

## Why choose Time Education and Training?

Time Education & Training are an award winning training provider that is proud to be a leading provider of quality corporate and nationally accredited training, consultancy and support services. We do this by providing:

- industry expert Facilitators and Assessors
- quality materials and resources
- state of the art training facilities
- supportive learning environments
- the ability to interact with like-minded industry professionals

## What do I need before I start?

There are no entry requirements for this qualification. This qualification is best suited to those who have extensive experience in any industry that operates under regulatory requirements under Commonwealth or State/Territory legislation/standards.

## Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all clients. This process formally recognises those skills and/or qualifications that the applicant already holds. It is an evidence collection process that recognises the competency of the applicant against the skill and knowledge requirements as determined by each relevant unit. Our team can support an applicant through understanding and applying for RPL prior to commencement of the qualification should they believe they may be eligible.

## What is the Investment?

Please contact Time Education & Training for the investment details for this qualification.
