Certificate IV in Training & Assessment (TAE40122)

What's it all about?

The Certificate IV in Training and Assessment is the minimum requirement to work as a Facilitator and Assessor within the VET (Vocational Education and Training) sector. It reflects the roles of entry-level VET trainers, assessors and teachers who are delivering training services to vocational learners and assessment services to candidates. This qualification will assist you to develop the ability to confidently and professionally plan for and deliver training and to assess the competence of learners.

Who should do this qualification?

This qualification is suitable for those with experience in any industry who are now looking to train and assess within their area of expertise. If you're looking to change or expand your career, while utilising your background knowledge and skills, the Certificate IV in Training and Assessment can help open new doors for you.

Relevant roles may include those within Registered Training Organisations (RTOs), enterprises, community organisations, schools and other VET provision contexts.

Possible career choices relevant to this qualification include:
· RTO Facilitator and Assessor
· Enterprise Trainer
· Enterprise Assessor

Program Delivery

The Certificate IV in Training and Assessment is delivered via a face-to-face class program. Our programs for this qualification are specifically structured to guide you through the learning journey from beginning to end.

Why choose Time Education and Training?

Time Education & Training are an award winning training provider that is proud to be a leading provider of quality corporate and nationally accredited training, consultancy and support services. We do this by providing:
· industry expert Facilitators and Assessors
· quality materials and resources
· state of the art training facilities
· supportive learning environments
· the ability to interact with like-minded industry professionals

What do I need before I start?

Those entering this qualification must be able to demonstrate vocational competence in their proposed training and assessing area. Vocational competence is defined as broad industry knowledge and experience, and may include, but is not limited to, holding a relevant unit of competency or qualification.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all clients. This process formally recognises those skills and/or qualifications that the applicant already holds. It is an evidence collection process that recognises the competency of the applicant against the skill and knowledge requirements as determined by each relevant unit.
Our team can support an applicant through understanding and applying for RPL prior to commencement of the qualification should they believe they may be eligible.

What is the Investment?

Please contact Time Education & Training for the investment and SA Government subsidy details for this qualification.
