

Diploma of Work Health and Safety (BSB51319)

What's it all about?

The Diploma of Work Health and Safety is designed to assist you in taking your Work Health and Safety career to the next level. It recognises that moving from a safety role into a safety management position requires additional skills and knowledge.

This qualification applies to supervisors and managers who apply a substantial knowledge base and well-developed skills in a wide variety of Work Health and Safety contexts.

Who should do this qualification?

This qualification is ideal for those with experience in a Work Health and Safety role who are now in, or are moving toward gaining, a safety management position.

Possible career choices relevant to this qualification include:

- Safety Manager
- WHS Business Partner
- Safety Consultant

Program Delivery

The Diploma of Work Health and Safety is delivered via Distance Learning under the guidance and mentorship of a Specialist Facilitator.

What do I need before I start?

Entry requirements for this qualification include all core units in BSB41419 Certificate IV in Work Health and Safety or its predecessors to the following units which have been mapped as equivalent.

- BSBWHS513 Lead WHS risk management
- BSBWHS515 Lead initial response to and investigate WHS incidents

Why choose Time Education and Training?

Time Education & Training are an award winning training provider that is proud to be a leading provider of quality corporate and nationally accredited training, consultancy and support services. We do this by providing:

- industry expert Facilitators and Assessors
- quality materials and resources
- state of the art training facilities
- supportive learning environments
- the ability to interact with like-minded industry professionals

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all clients. This process formally recognises those skills and/or qualifications that the applicant already holds. It is an evidence collection process that recognises the competency of the applicant against the skill and knowledge requirements as determined by each relevant unit. Our team can support an applicant through understanding and applying for RPL prior to commencement of the qualification should they believe they may be eligible.

Potential Pathways

Further training pathways from this qualification include the **BSB50420 Diploma of Leadership and Management**.
