Why choose Time Education and Training?

Time Education & Training are an award winning training provider that is proud to be a leading provider of quality corporate and nationally accredited training, consultancy and support services. We do this by providing:

- industry expert Facilitators and Assessors
- quality materials and resources
- state of the art training facilities
- supportive learning environments
- the ability to interact with like-minded industry professionals

What do I need before I start?

There are no entry requirements for this qualification. Due to the nature and requirements of the assessments associated with this qualification it is ideally suited to individuals who are, or are about to begin, working within a warehouse environment.

What is the Investment?

Please contact Time Education & Training for the investment details. All learning resources are included. Time Education & Training offer payment plans if required.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all clients. This process formally recognises those skills and/or qualifications that the applicant already holds. It is an evidence collection process that recognises the competency of the applicant against the skill and knowledge requirements as determined by each relevant unit. Our team can support an applicant through understanding and applying for RPL prior to commencement of the qualification should they believe they may be eligible.

How do I enrol?
