

# Certificate III in Early Childhood Education & Care (CHC30125)

## What's it all about?

The Certificate III in Early Childhood Education and Care is the minimum requirement to work as an Educator within a regulated children's education and care service in Australia, including a Childcare Centre. It reflects the role of those who support children's wellbeing and development within the context of an approved learning framework. In addition to developing the necessary physical care skills, you will learn how to foster the emotional wellbeing of young children and provide meaningful educational experiences that will assist with their preparation for primary school entrance.

## Who should do this qualification?

The Certificate III in Early Childhood Education and Care is ideal for those who are committed to the wellbeing and educational needs of babies, toddlers and preschool aged children.
