

Diploma of Vocational Education and Training (TAE50122)

What's it all about?

The Diploma of Vocational Education and Training reflects the roles of experienced individuals in a variety of vocational education and training (VET) sector job roles. These may include analysing training needs and designing training solutions and products, evaluating the effectiveness of training and assessment validation, developing and implementing training and assessment strategies, leading and mentoring other facilitators and assessors, and interpreting compliance requirements.

When enrolling into this qualification you will enrol into one, two or three of the following specialisations:

- Advanced Training and Assessment
- Design and Development
- VET Leadership

Who should do this qualification?

This qualification is suitable for experienced training sector practitioners who are looking to extend their career within the VET industry, or within an organisation that operates under a quality assurance training framework.

Possible career choices relevant to this qualification include:

- Advanced Trainer and Assessor, VET Teacher
- Resource, Product or Assessment Developer
- RTO Manager
- Quality and Compliance Manager

Program Delivery

The Diploma of Vocational Education and Training is delivered via a face-to-face class program. Our program for this qualification is specifically structured to guide you through the learning journey from beginning to end.

Potential Pathways

Further training pathways from this qualification include the **BSB50420 Diploma of Leadership and Management**.

Why choose Time Education and Training?

Time Education & Training are an award winning training provider that is proud to be a leading provider of quality corporate and nationally accredited training, consultancy and support services. We do this by providing:

- industry expert Facilitators and Assessors
- quality materials and resources
- state of the art training facilities
- supportive learning environments
- the ability to interact with like-minded industry professionals

What do I need before I start?

Those entering this qualification must be able to demonstrate current VET skills and knowledge relevant to the specialisation(s) chosen in this qualification. Some units also have a prerequisite unit derived from the TAE40116 or TAE40122 Certificate IV in Training and Assessment.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all clients. This process formally recognises those skills and/or qualifications that the applicant already holds. It is an evidence collection process that recognises the competency of the applicant against the skill and knowledge requirements as determined by each relevant unit. Our team can support an applicant through understanding and applying for RPL prior to commencement of the qualification should they believe they may be eligible.

What is the Investment?

Please contact Time Education & Training for the investment and SA Government subsidy details for this qualification.

How do I enrol?

Contact our Client Relationship Managers by:

- Calling; 08 8351 9888; or
